

## **I HAVE A DREAM**

**Mary Donnelly, Arr. George L.O. Strid**

I have a dream for all humanity  
That we may know truth and dignity  
Peace on the earth  
And that one day we'll stand arm in arm, hand in hand

I have a dream  
A dream for all the people in the world  
Peace, hope, and freedom shall ring  
I have a dream

I have a dream, a dream for all mankind  
That we may come to a place in time  
We will know that true peace of mind  
That comes when we share, when we learn how to care

I have a dream  
A dream for all the people in the world  
Peace, hope, and freedom shall ring  
I have a dream

I dream that all nations shall celebrate  
That every trace of fear will be gone  
That we will join our voices in unity  
And sing freedom's song

I have a dream  
That hope will shine like morning star  
And with the day  
We may come to embrace the entire human race

I have a dream  
A dream for all the people in the world  
Peace, hope, and freedom shall ring  
I have a dream  
I have a dream
